

## We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole Group is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions we inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

# Intern New Carbon Markets Research (40-80%) based in London, United Kingdom

In this role, you will play an important role in supporting the Portfolio Management and Public Sector teams by researching new carbon market opportunities in different countries around the world. You will also assist the Finance team in conducting research in sustainable finance. If you are an enthusiastic and dynamic person with relevant academic background and are passionate to contribute to the fight against climate change, then we are looking for you.

#### Tasks and responsibilities

- Work closely with the Portfolio Management and the Public Sector teams to research potential new opportunities on carbon markets around the globe
- Support the Finance team by working on research topics concerning sustainable finance
- Understand client needs, gather market intelligence and identify industry trends
- Coordinate the research process in terms of content and timeline
- Introduce the company's services to potential clients following a structured approach

#### Your profile

- University degree in Politics, Business Administration, Economics, Environmental Science or related disciplines
- Relevant work experience is preferred
- Excellent written and oral command of English. Spanish and/or Korean is considered a strong plus
- Ability to work autonomously as well as within a larger team
- Excellent communication skills
- United Kingdom nationality or holder of a valid work permit is a must

#### We offer

- Work in a growing global company with a real commitment to sustainability and fighting climate change
- Excellent team spirit, work with a dedicated and enthusiastic international team around the globe
- · Chance to expand the tasks and potentially a full-time employment contract

### Please apply

If you are interested in joining a young and international team looking to make a difference to the world we would be happy to hear from you! Please send your cover letter and CV directly through our <u>website</u>.
