

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole is an energetic, global company offering comprehensive sustainability solutions and services. With offices spanning all six continents, we strive to create a sustainable society and economy that positively impacts our climate, ecosystems and communities. With our solutions we inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Key Account Manager Benelux (100%) based in Amsterdam, the Netherlands

As part of the Key Account Management team you will be responsible for a portfolio of clients and support new business development at South Pole. You will proactively manage the relationship with existing clients, understand their needs and develop tailor-made solutions with the support of senior members in your team. If you are an enthusiastic and dynamic professional with interested in business development, client relationship management and sustainability solutions, then we are looking for you!

Tasks and responsibilities

- Be the main point of contact for a portfolio of existing clients and build trusted relationships
- Ensure client satisfaction by maintaining the high-quality standard of our services and anticipating their expectations
- Manage proactively the client relationships and position South Pole as their preferred partner for sustainability solutions
- Understand client needs and their stakeholder environment to identify further business development opportunities
- Support business development and be involved in writing compelling proposals and contract preparation
- Participate in targeted client communication and joint marketing activities
- Represent South Pole in client meetings, sites visits, at conferences and trade shows
- Contribute to the sustainable commercial success of the team and the company
- Share proactively know-how and market feedback within the company

Your profile

- University degree in Economics, Business Administration, International Business/Relations, Environmental Science, Agronomy or similar
- At least 2-3 years of proven expertise in the field of sustainability, corporate responsibility, climate change or renewable energy
- At least 2-3 years working experience in a client facing role
- Entrepreneurial mindset, sense of responsibility and willingness to take initiative
- Strong track record in meeting client expectations
- Distinct analytical and conceptual abilities, know-how of relevant sales software (CRM) and techniques
- Excellent planning and time management skills
- International business experience and willingness to travel (mainly Europe)
- Excellent English and Dutch language skills is a must, French is a plus

- National, or holder of a valid required work visa

We offer

- Work in a growing global profit for purpose company with a real commitment to sustainability and fighting climate change
- Excellent team spirit, work within a large and international team of sustainability passionate professionals
- A clear career development potential as part of the Key Account Manager team
