

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole is an energetic, global company offering comprehensive sustainability solutions and services. South Pole acts today 'for a better tomorrow'. With offices spanning all six continents, we accelerate the transition to a climate-smart society. Our vision is "Climate Action for All": We inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Group Accountant (100%) based in London, United Kingdom

Are you eager to kickstart your finance career in a forward thinking company with a real purpose? We are a leading provider of global sustainability financing solutions and services. Our expertise covers project and technology finance, data and advisory on sustainability risks and opportunities, as well as the development of environmental commodities such as carbon credits or renewable energy credits. In this position, you will have the possibility to learn on the job and the ability to gain new skills as you grow in your role. In your day-to-day tasks you will collaborate with well-known and recognised climate experts, acting today for a better tomorrow. Join us to become part of our motivated and diverse team of finance professionals!

Tasks and responsibilities

- Review and process financial reporting packages sent by our regional offices
- Guide Group entities as subject matter specialist on accounting topics
- Work with our local offices to manage global cash and provide liquidity planning support
- Participate actively in intercompany and periodical consolidation activities
- Participate in and drive various projects within your area

We offer

- Be part of a growing and multicultural company with a real purpose
- Excellent team spirit working with dedicated and enthusiastic people
- The opportunity to use your skills, experience and enthusiasm to help a growing company with big ambition

Your profile

- Studying towards Chartered Specialist in Accounting and Financial Management, or equivalent education
- Relevant experience in international accounting and finance positions is advantageous
- High-energy, flexible and responsive working style; ability to work in a fast-paced environment
- Proficiency in MS Office, especially in Excel
- UK nationality or holder of a valid work permit is a must

Please apply

If you are interested in joining a young and international team looking to make a difference to the world we would be happy to hear from you! Please send your cover letter and CV directly through our [website](#). If you have any questions regarding this vacancy, please contact us on jobs@southpole.com.
