- Give legal advice during negotiations with clients
- Answer legal questions from the Colombian Carbon Tax team
- General support to other units in the Colombian office
- Prepare and carry out learning sessions about environmental/public law
- Provide general support about legal requests

Your profile

- A Bachelor's degree in Law, ideally with an emphasis in Environmental Law or Public Law
- At least 3 years of work experience in environmental related companies
- Knowledge of Colombian laws regarding land tenure is a must
- Excellent oral and written command of English is a must
- Good writing and communication skills
- Advanced skills in MS Office Suite, Google Drive, IT platforms and technologies are essential
- Excellent organisational skills and ability to be productive and efficient in a fast-paced environment
- Strong personal interest for sustainability and climate change

We offer

- Excellent team spirit within the world's leading independent sustainability company
- Be part of a growing and multicultural company
- Work autonomously as well as within a large and international team of passionate sustainability professionals
