

We are hiring

Would you like to be part of our dynamic, global and growing team? South Pole is an energetic, global company offering comprehensive sustainability solutions and services. South Pole acts today 'for a better tomorrow'. With offices all around the globe, we accelerate the transition to a climate-smart society. Our vision is "Climate Action for All": We inspire and enable our customers to create value from sustainability-related activities.

To further promote environmentally and socially responsible practices, we are currently looking to recruit a highly motivated and dedicated

Business Controller (100%) based in London, England

As a Business Controller you will assist in analysing and evaluating the performance of the different products and business lines within the company. You will work directly with the Financial Controller and other key stakeholders to create meaningful reports.

This is a role with a lot of variety of tasks and challenges; if you are an ambitious professional looking to progress your career within a great team and interesting business, then we are looking for you!

Tasks and responsibilities

- Key contributor in producing monthly management reports
- Create own analyses and reports on various topics within controlling
- Analysing profitability of product offerings, regions, and business lines
- Assist the group budgeting and strategy processes
- Active collaboration within the project and business line controlling
- Support global accounting team in month-end activities
- Identify and drive initiatives to further leverage financial systems, streamline process flows and create systematic methods for efficient data processing and reporting
- Additional responsibilities as identified

Your profile

- Bachelor's degree in Accounting/Controlling/Finance or equivalent education (CIMA) or actively studying towards CIMA
- High-energy, flexible and responsive work style; ability to work in a fast-paced environment
- Fluent in English
- Excellent spreadsheet skills
- Strong analytical and problem solving skills
- Excellent communicator and ability to convey financial concepts and observations to non-financial colleagues
- Very good conceptual and process design skills
- BI tool experience

We offer

- Working in a growing global profit for purpose company with a real commitment to sustainability and fighting climate change
- Excellent team spirit, work within a large and international team of sustainability passionate professionals
- The opportunity to work with and support a culturally diverse team based around the world

Please apply

If you are interested in joining a young and international team looking to make a difference to the world we would be happy to hear from you! Please send your cover letter and CV directly through our [website](#). If you have any questions regarding this vacancy, please contact us on jobs@southpole.com.
