1 – Annual Reporting

Please include the following information

(a) a summary of the recent activities, events and actions related to the Project:

In this year, more project stoves have been sold to households and communities in Uganda. For the households using the improved stoves, firewood and charcoal consumed for cooking are reduced.

(b) a clear statement on how stakeholders may provide inputs/grievances:

In October 2018, the project owner held the Stakeholder Consultation meeting. During the meeting, the Key Project Information and the Input & Grievance Mechanisms have been introduced to the local stakeholders. The contact information of the project owner is public to the stakeholders, including phone number and email addresses. The grievance expression book is kept by the leader of the village. Anyone can go to the leader of the villages and record their grievance or comment in the book. The detailed continuous input / grievance mechanism is as below.

	Method Chosen (include all known details e.g. location of book, phone, number, identity of mediator)	Justification
Continuous Input / Grievance Expression Process Book	A grievance book was put in each village.	The grievance expression book is kept by the leader of the villages. Anyone can go to the leader of the villages and record their grievance or comment in the book.
